

KEOKUK MUNICIPAL WATERWORKS
SUMMARY OF BOARD PROCEEDINGS

JULY 24, 2025

Present: Chairman Boyd, Trustees Hickey, Peyton, and Beard.

Mr. Bogner introduced a representative from Klingner and Associates P.C. to present the Board with information regarding the bidding process for the elevated storage tank overhaul.

Chairman Boyd opened the regular meeting. A motion was made by Trustee Hickey and seconded by Trustee Peyton that the minutes from the previous meeting of June 25, 2025, be approved as presented. All ayes. Motion carried. Vouchers were reviewed and approved.

Mr. Seabold presented the Board with monthly charts and informed the Board of work that has been done around the Plant. The plant is operating MIOX #1 at this time. They will be draining the new hypo tank so it can be inspected. The membranes have had a few issues with actuators. A cage was installed around the ladder on the lime silo. They cleaned out the clarifier by the sludge building and started using the polyblend system for the chemical in the sludge building. The river has been coming up, cresting at 12.6'. It should be back down to 10' by July 23rd. There are no safety issues to report.

Mr. Johnston presented the Board with monthly charts and informed the Board of work that has been done. Boring for the Water Main Replacement Project is finished. There are no safety issues to report.

Ms. Barnes discussed monthly financials, budget, operating expenses, and water sales to date. Ms. Barnes informed the board of the City water usage for fiscal year end 2025.

Mr. Bogner spoke with the Board about the Waste Treatment Permit. Reports show a reduction in the solids samples. He is still waiting on a response from the cyclone supplier and there is nothing new regarding the updated permit from the Sewer Department. Mr. Bogner discussed chlorine residuals with the Board and is considering another free chlorine conversion and flush in the fall. Mr. Bogner informed the Board on the PFAS Settlement.

Mr. Bogner discussed other topics with the Board including the hypo tank and the Timea St. Water Main Replacement Project.

There being no further business to come before the Board of Trustees, the meeting was adjourned. The next meeting will be held August 20, 2025, at 2:30 P.M.
